First Steps Lessons from Acts

Jesus gave His Disciples His mission to carry on after He left them to be with His Father in Heaven. The New Testament book of Acts is the story of the first steps taken by the twelve and other followers of Jesus as they began to spread the gospel - make disciples, baptize them and teach them.

Join us as we follow the *First Steps* of those first Christians as they established Christ's Church and began to spread the message of Jesus to the world.
