

Leading others into full devotion to Jesus Christ; Rejoicing in His love, Growing in His Truth.

Eats with Sinners– Loving Like Jesus

Here's the bottom line: Jesus Loves lost people. He wants us to love lost people too. We worry about trying to build intentional relationships with non-Christians: Will we understand one another? Will we offend the? How comfortable will it be? Jesus regularly ate with sinners– people in need of God , just like you and me. Why? Because Jesus longed to eat with them in Heaven. The incredible journey of following Jesus involves sharing who he is while sharing our lives with others. Over food and drink, through conversations filled with stories and insights, people come to know the love of God and the hope of salvation. Eats with Sinners shows you how to let down your guard so God's love can flow through you and get out across the table to your non- Christian friends. They'll taste and see that the Lord is good as you invite them to one day feast with Jesus in Heaven.

This Sunday will be a 5th Sunday so Youth Minister Chris Stowe will be preaching and the children will be joining the adults for service.
